VENDORS NIGHT

On Monday night there will be a Reception where all attendees and guests are invited to meet and mingle while enjoying complementary beverages and hors d' oeuvres. Tables are provided to member companies who choose to participate in the event. The table is to be set up prior to 5 PM Sunday and must be dismantled at the conclusion of the reception.

WORKSHOP:

The workshop will consist of a full afternoon in a classroom setting, covering agitation agglomeration, briquetting, compaction, tableting and extrusion. The workshop will cover the fundamentals of each form of agglomeration and a review of applications for each type. The workshop is an excellent opportunity to learn the basics of agglomeration and to participate in an open forum with specific questions on your application.

PAPERS:

Papers will be presented over the three day period that will cover agglomeration equipment, applications, ancillary equipment and processes and new developments. There is still time to submit your abstract for inclusion in the program. Please send it to iba@agglomeration.org.
