### IBA ANNOUNCES ITS 36th BIENNIAL CONFERENCE – CALL FOR PAPERS

Portersville, PA – The Institute for Briquetting and Agglomeration (IBA), founded in 1953 as a professional organization devoted to the science and application of size enlargement methods, announces its 36th Biennial Conference, to be held this November 17 through 20 at the Francis Marion Hotel in Charleston, South Carolina, USA.

IBA has sponsored this premier conference on the state-of-the-art agglomeration technology on a biennial schedule since its inception.

Papers are invited concerning, but not limited to, specific aspects of particle size enlargement in the fields of Agrichemicals, Biomass, Ceramics, Charcoal, Coal, Chemical, Environmental Impact, Foods, Iron Ore, Minerals, Pharmaceuticals and Waste Recycling, as well as scientific fields of Binders (natural and synthetic), Particle Flow, Particle-Size Effects and Quality Control Methods.

Abstracts or questions may be submitted to [iba@agglomeration.org](mailto:iba@agglomeration.org) or IBA, PO Box 205, Portersville, PA, 16051, USA. Articles are invited that describe practical and theoretical studies of the agglomeration process. This includes unit operations within the process. Abstracts are now being accepted for the Fall 2019 Conference.
