

INSTITUTE FOR BRIQUETTING AND AGGLOMERATION ANNOUNCES ITS 36TH BIENNIAL CONFERENCE

Join us in Charleston, South Carolina for the 36th Biennial Conference on Agglomeration to be held November 17 through 20, 2019 at the Francis Marion Hotel in the heart of Historic Charleston.

This conference will include papers of actual operations, as well as theoretical approaches to agglomeration. This conference will enable you to interact with the delegates and to discuss specific issues with the industry experts on a one-on-one basis.

You will also have the opportunity to share information about your company at the Vendors Night, which consists of a welcoming reception and table-top exhibits by the member companies.

To find out more about the conference please go to www.agglomeration.org. There you can register for the conference and reserve your space at the Vendors Night.

There is still plenty of time for you to participate in the conference itself by presenting a paper on agglomeration equipment, systems, applications, binders and innovations in the process. Please send your paper abstract to the IBA office for consideration.

For more information please review the website or contact us direct:
