### IBA ANNOUNCES ITS 37th BIENNIAL CONFERENCE – CALL FOR PAPERS

Mashpee, MA – The Institute for Briquetting and Agglomeration (IBA), founded in 1953 as a professional organization devoted to the science and application of size enlargement methods, announces its 37th Biennial Conference, to be held September 18th through 21st, of 2022 at the Oxford and Crawford Hotels in Denver, CO, USA

IBA has sponsored this premier conference on the state-of-the-art agglomeration technology on a biennial schedule since its inception.

Papers are invited concerning, but not limited to, specific aspects of particle size enlargement in the fields of Agrichemicals, Biomass, Ceramics, Charcoal, Coal, Chemical, Environmental Impact, Foods, Iron Ore, Minerals, Pharmaceuticals and Waste Recycling, as well as scientific fields of Binders (natural and synthetic), Particle Flow, Particle-Size Effects and Quality Control Methods.

Abstracts or questions may be submitted to [iba@agglomeration.org](mailto:iba@agglomeration.org) or IBA, PO Box 1619, Mashpee, MA 02649, USA. Articles are invited that describe practical and theoretical studies of the agglomeration process. This includes unit operations within the process. Abstracts are now being accepted for the September 18<sup>th</sup>-21<sup>st</sup> of 2022 Conference in Denver, CO, USA. Please submit abstracts as soon as you can if you will be presenting.

Please check for updated information on our website [www.agglomeration.org](http://www.agglomeration.org) or call 219-765-2378.

Look forward to seeing you in Denver!
